To whom it may concern

My name is Ashleigh Whitbread and I am the president of Tamarama Arm Wrestling Club, I am writing this letter in hope that your organisation would be willing to donate or sponsor our club. As a club we have been providing quality competition for all ages and abilities to the Bondi and Tamarama Community since 1967.

As our athletes are competing and national and international competitions extra funding is need for transport and accommodation. We would very much appreciate if your organisation would aid the funding of our athletes so they can extend their competing and gain more experience. Our athletes are some of not only the most talented arm wrestler in the State but they are also among the most grateful.

As we have been operating since 1967 our equipment is our dated and worn, so I kindly ask for a donating towards our equipment, new equipment would allow our athletes to improve their technique and strength.

I hope you take time to consider our proposal and I hope to hear from you soon.

Many Thanks,  
Ashleigh Whitbread, President of Tamarama Arm Wrestling Club
